

## ROMANS: THE MORE IT IS HANDLED THE BETTER IT TASTES

Here's a section by section teaching through the entire book of Romans, illustrated with visuals in each of 48 approximately 28-minute videos.

Carey Outreach Ministries brings you the Book of Romans presented by Dr. Paul Engle.

Paul carefully and methodically examines the text and its glorious themes in an exegetical, theological and pastoral manner. Without exception, no other epistle within the sacred canon has more impacted the church throughout history than the Epistle of Paul to the church at Rome.

*" This letter is truly the most important piece in the New Testament. It is purest Gospel. It is well worth a Christian's while not only to memorize it word for word but also to occupy himself with it daily, as though it were the daily bread of the soul. It is impossible to read or to meditate on this letter too much or too well. The more one deals with it, the more precious it becomes and the better it tastes ."*

- Martin Luther 1483-1546
